Assessment Demands

A summary of the assessment schedule for this programme is explained below.

If appropriate medical evidence is accepted (a minimum of four weeks prior to the start of any assessment period), we may be able to provide adjustments for assessments including re-scheduling assessments in the programme to avoid more than one on any one day. As part of the

students and design the coursework tasks to have sufficient time for most students, this includes students with SpLDs. A SpLD is generally not considered a sole justification for granting coursework extensions and coursework extensions are only granted in exceptional, evidenced circumstances.

The University operates a fit to sit policy, which means that students who attend an assessment are deeming themselves to be fit to sit that assessment. It is therefore not possible to submit a concession application for impaired performance for an assessment that has been sat, unless there was a procedural defect in the conduct of the assessment.

Assessment and learning adjustments
