BA (Hons) Criminology and Sociology 3 year FT programme from September 2022
Programme Demands Document

- Each student will study 17 modules during the programme with 6 modules typically studied each year (3 in parallel in each semester), except for Level 6 which has 5 modules.
- Each module will comprise 10 large group sessions and 11 workshops.

The pattern of study will be as follows:

- The first week of each semester will consist of 3 two hour large group sessions, weeks two to ten will consist of 3 two hour large group sessions and 3 two hour workshops. Week 11 will consist of 3 two hour workshops. The exception to this is Week 6 which does not have a large group session.
- Attendance at all large group sessions and workshops is compulsory.

Students will be expected to learn (attendance at sessions and independent learning) for 40 hours per week on the 3 year programme.

will

Indicative week on the 3 year programmes
