### Other Comments

**8a. Do you have any suggestions for ways in which the University would enhance the student learning experience?**

*None*

**8b. Do you have any other comments to make on areas not covered elsewhere in this report?**

*I would like to thank all the tutors and the administrative staff for their efforts in getting samples out so promptly and in good order. Although it was noted at the Board that you were looking at other ways to get samples out I find the system currently used faultless.*
