|------------------------------------------------------------------------------------------------------|------------|

The standard of the answers I got in the sample scripts were appropriate to the level required by LPC students. There were very few failed scripts that did not meet the standard. Generally, the teaching team was able to set and maintain very high standard. I am very happy for that.

3 Administrative Issues: please make any comments you wish to make on:

3.1 The process of setting assessments.

Excellent. I quite like the changes form.

Very good. The electronic copy of the scripts made it quite easy despite the emails and security do have their own drawbacks.

Excellent. Both of the marker and moderator provided comment, whilst we see moderator simply agreeing in many institutions.

Excellent and very efficient.
